Re: Ms. Marina Zarzycka

This is to testify that Ms Marina Zarzycka is known to me initially as a Table Tennis Team Partner who is a most professional, trained player and a coach who has become also a good personal friend.

I met Ms. Zarzycka in 2001 when she joined my team at International Student's House (ISH) to play in the Central Table Tennis League London (CTTLL). She played for ISH in the period 2001-2003. In 2004 Ms. Zarzycka joined my team at the newly found Stepney Green TT Club when we won the CTTLL that same year.

Ms. Zarzycka impresses with her brilliant skills and professionalism. She is highly motivated and responsible person. She has been an asset to the Clubs she has played for and has contributed enormously providing guidance and coaching to her team players.

I have partnered with Ms. Zarzycka in TT demonstration matches at schools and I have seen her interact well with school children. She is constantly improving on her English language skills and I have no doubt that she could take on a teaching position.

I would recommend Ms. Zarzycka to yourselves as she is an excellent TT player and coach with all the range of qualities one would expect of one who has set herself high standards as a member of the TT Sport.

Yours faithfully

Mr. Petko Guimichev
Director of City Business Promotion Centre
Treasurer Stepney Green TT Club London
